TOMORROWLAND EXHIBITION

CALLING FOR YOUNG ARTISTS

We are seeking expressions of interest from **kindergarten and primary school-aged children** living in Far North Queensland who wish to participate in an exhibition titled **Tomorrowland**, curated by Sorami Ochi.

Interested artists are asked to create an original artwork that represents the future. It could be a futuristic representation of our region, a special place or how we interact and do things.

This is an exciting opportunity for young artists to have their work exhibited at an art gallery and receive public recognition for their skills and creativity.

APPLICATION DEADLINE:
11:59pm, Tuesday 1 April 2025

The Exhibition will be launched to coincide with the Cairns Children's Festival in May 2025 at the Court House Gallery.

Please send your Expression of Interest to Sorami Ochi at sorami.o@outlook.com to receive your application form.
